MUSKET RIDGE

September 7, 2017

Seminar 8:00 a.m.

Tee Time 9:30 a.m.

Lunch 2:00 p.m.

Join the Maryland Ready Mix Concrete Association membership on September 7th for a time of education, networking and fun as the concrete industry continues building relationships with the design community. Promoting quality concrete structures across Maryland!

We start the day at 8:00 am with a FREE Seminar!

SEMINAR TOPIC: CURING —The Ultimate Measure of Quality

Presented by Rodney Meyers, PE—Schuster Concrete

This seminar will discuss the importance of, and your responsibility for, curing concrete. CSI Specifications are organized in 16 divisions, none of which are titled Curing Concrete. Mr. Meyers has sorted through project documents and identified requirements for curing concrete. Don't miss this opportunity to challenge Mr. Meyers on your responsibility.
