

Why attend?

Concrete 2018 is a 1-day educational forum about applications for Portland Cement Concrete on all transportation projects.

Receive Up to Five (5) PDH's Professional Development Hours

Who attends?

This audience includes representatives from FHWA and Maryland SHA Offices of Highway, Structures, Landscape Architecture, Environmental, Materials, Maintenance, and Construction. It also attracts Consulting Engineers, County / Municipal Government DPW's, and other key decision makers.

March 13, 2018

Delta Hotels by Marriott Hunt Valley
245 Shawan Road, Hunt Valley, 21031

ORGANIZED BY: MDOT SHA – FHWA – MRMCA – ACPA

The conference provides a one-day educational forum of technical seminars on transportation infrastructure. Attendees learn about and discuss applications for Portland Cement Concrete for highway projects. Professionals involved with designing, building, testing and supplying materials for roads and bridges in Maryland will attend.
