DECORATIVE

OTHER INFRASTRUCTURE - water resource structures, marine structures, etc.

MISCELLANEOUS – any use of concrete not in the above categories

Guidelines and nomination application are attached.

GUIDELINES FOR THE ANNUAL CONCRETE AWARDS

NOMINATIONS CRITERIA

1. The project shall be completed in the state of Maryland (Except Prince George's County or Montgomery County) **between January 1, 2016 and December 31, 2017.**
2. Project design and construction shall represent the best concept, originality and applicability of concrete or depict advancement of knowledge and practices in the field of concrete construction.
3. The project may be:
 - a. A cast-in-place structure / pavement
 - b. A pre-cast / site-cast structure
 - c. A pre-stressed / post-tensioned concrete structure
 - d. A structure employing a steel frame provided a significant percentage of concrete is used in a creative and innovative manner
4. Concrete masonry does not qualify for the concrete awards competition.
5. The size of the project or volume of concrete used in the project will not be a factor as the judging process takes place.
6. Award winners may be requested to furnish additional presentation material (images and descriptions) for the Awards Banquet scheduled for Thursday, April 26, 2018.
7. All submittals shall become the sole property of the Maryland Chapter of the American Concrete Institute.
8. Two projects that receive awards from the Maryland Chapter may be entered into the national ACI Excellence in Concrete Construction Awards competition.

SUBMITTALS MUST INCLUDE THE FOLLOWING:

All information must be submitted in electronic format (CD, DVD, USB Storage Device, etc.)

1. **Project Nomination Application** including Contact information for all Project Team Participants.
2. **Digital Pictures** of the Project (6 Minimum). Include pictures of the project under construction as well as completed. **All pictures must be digital.**
3. A **Written Description** of the project. The description must indicate, describe and emphasize the architectural, engineering, construction method or workmanship areas of the project which are significant and noteworthy. (Approximately 250 – 500 words).

ENTRY DEADLINE: March 2, 2018

All entries must be received by **March 2, 2018** to be considered by the awards committee.
